HOW TO TREAT WITHOUT EXTRACTION WITH INVISALIGN®

BERGEYRON P¹*, SABOUNI W¹, PONSOT M¹

(1) Private Practice, Bandol.

Since 2001, when Invisalign was arrived in France, many progress, study and article was written around the World. In 2007 we attended at the 3rd European Invisalign summit and in November 2007 will the 7th International Invisalign® Summit, Invisalign and IPR seems to be a good appliance for the non-extraction therapie .
